

## Product Information

### NYTROLENE Topdress

22-3.5-8 + 1.7 Fe, 1.8 Mg +TE

#### Product Advantages

- Slow-release nitrogen with early Spring availability via IBDU and nitrate N.
- Contains high magnesium and iron to overcome 'Winter Yellows'.
- Long lasting - up to 12 weeks.
- No loss of fertiliser if plants fall over. Product sticks to the surface of the growing medium.
- Easy free flowing, low dust application.

#### Product Characteristics

Bag weight: 20kg

Granule size: 1.8-2.4 mm

Longevity up to 12 weeks
